STARTING UP IN TEL AVIV HAS NEVER BEEN SO EASY

International entrepreneurs are invited to take part in our **Innovation Residency Program** and spend up to 3 months living and breathing Tel Aviv's startup ecosystem.

We offer:

- 📄 Visa support & practical information
- 👤 Tailored advice & mentorship
- 💰 Networking with investors, VCs, industry experts, accelerators, etc.
- 📺 Round-the-clock access to one of Tel Aviv's hottest co-working spaces
- 📅 Access to Tel Aviv's 24/7 startup scene (meetups, workshops & hackathons)
- 🏠 Accommodation in furnished apartments in the best parts of Tel Aviv

Tel Aviv Global is currently working with dozens of cities to offer international entrepreneurs access to Tel Aviv's startup ecosystem, and vice versa. If you are a city partner interested in collaborating or to find out if you are eligible for city sponsorship, please contact Inbal Naveh Safir (see contact details below).

WELCOME TO TEL AVIV

Tel Aviv has evolved into one of the world's leading hubs for technology and innovation. Ranked by Compass 2015 Global Startup Ecosystem Ranking as the world's leading startup ecosystem outside of the US, the Nonstop City is a prime destination for entrepreneurs, investors, international R&D facilities and innovation centers.

Home to some of the world's leading academic programs in innovation, engineering and technology-related fields, the Startup City of the Startup Nation provides companies, investors and global enterprises with a multitude of talent, developed infrastructure and business opportunities.
