

FORWARD MEDIA BRINGING TOGETHER THE TOP BUSINESS LEADERS

FORTUNE MAGAZINE FORTUNEGREECE.COM FORTUNE LIVE MEDIA

2022 I.D.

Fortune is one of the biggest and most reliable business media brands in the world, with more than 4 million readers globally.

FORTUNE is a brand that enjoys access to the entire world of business, from the boards of directors and the offices of CEOs to industrial plants and small startups, and from venture capital firms to nonprofit organizations.

FORTUNE is the leader of business journalism.

Always there, where people do business and change the world.

In Greece, Fortune is a business media platform that has been present for seven years and includes Fortune Greece Print Edition, FortuneGreece.com and Fortune Greece Live Media.

2022

PRINT

At a time when the economy tops the list of interests of every Greek citizen, especially during the COVID-19 pandemic, FORTUNE is the only business media brand that offers space to companies to talk about their products and services.

More than 10,000 market influencers, opinion leaders and business executives receive the magazine every time it is published. It is the sole business magazine in Greece that contains original articles focusing on the Greek business ecosystem. In parallel, it hosts investigative journalism, analysis and dossiers, together with exclusive articles from the US edition of FORTUNE.

Circulation range: 25,000 per issue

BRINGING TOGETHER THE TOP BUSINESS LEADERS, POLICY MAKERS AND EXPERTS

MOST POWERFUL WOMEN

Self-made or worthy successors, the most powerful women in business act with vision, knowledge, talent, boldness and hard work. FORTUNE sheds light on the role of women in modern entrepreneurship and the importance of female management in the world of business.

The survey is compiled on the basis of:

- •The economic size and significance of the company they manage
- •The financial robustness, extroversion, innovation and dynamism of the company
- •The CV and the achievements of each one of them
- •Their corporate and social influence.
